

CONTENTS: YOUNG BREEDERS

FIRST PART: DESIGN - LAYOUT OF THE BUILDING

I. HEALTH CONSIDERATIONS

Page 3

- Sanitary precautions
- Cleaning - Disinfection - Clean-out

II. SET UP OF THE BUILDING

Page 7

- General organisation of the building
 - 2.1. Types of buildings
 - 2.2. Types of accommodation organization
- Overall plan of the building
- Start up installation
- Heating
- Feed
- Water
- Lighting

SECOND PART: CARRYING OUT THE REARING PROCESS

I. HEATING - VENTILATION

Page 13

II. FEED

Page 15

- 2.1. Nutritional characteristics
- 2.2. Constraints in the use of raw materials
- 2.3. Quantities

III. WATER

Page 19

IV. LIGHTING

Page 21

V. PROPHYLAXIS - INTERVENTIONS

Page 25

THIRD PART: BREED REARING

STAR 53

Page 27

- Rationing plan 0 - 4 weeks
- Rationing plan 5 - 21 weeks
- Growth charts
- Record weight document

CONTENTS: BREEDERS
